

# Our Story. Our mission: Creating Pathways to Purpose, Together.

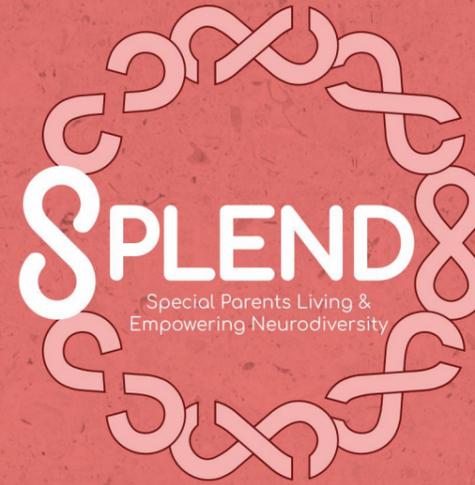

SPLEND - Special Parents Living and Empowering Neurodiversity is a parent-led initiative born from lived experiences and shared aspirations. We are a collective of families creating a nurturing, inclusive space where neurodiverse individuals are not only supported, but celebrated. At SPLEND, we believe that purpose and dignity belong to everyone and we are building pathways for meaningful work, lifelong learning, and community belonging.

**We don't just create jobs. We build lives.**

Our sheltered workshop model enables:

- On-the-job training
- Life skills development
- Long-term community inclusion

When you support SPLEND, you invest in transformation.

# Support with Purpose

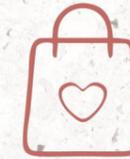

## **Sponsor a Life**

Support the lifelong journey of a neurodiverse individual by contributing to their training, development, and care at SPLEND. Your sponsorship empowers them with dignity, skills, and a secure future.

## **Adopt-a-Workshop**

Help us build inclusive workspaces by sponsoring tools, materials, or space for a specific vocational stream—like baking, packaging, or digital work—ensuring continued engagement and skill-building.

## **Buy With Purpose**

Choose handcrafted, upcycled, and thoughtful products made by neurodiverse individuals. Each purchase directly supports their livelihoods and promotes conscious, inclusive living.

## **Volunteer / CSR Partner**

Join us as an individual volunteer or an organizational CSR partner. Share your time, expertise, or resources to co-create meaningful impact alongside the SPLEND community.
